Site Information

This is a new convention center and the exhibit space is quite nice. Priority for space assignments will be based on date of receipt of *Exhibitor Registration Form* and payment. We will attempt to follow the preferences and special requests you note on your *Registration Form* although location of computer connections may effect booth locations. There are no connection costs for wireless. All booths and tables are at the Hilton.

All booths include 8-foot draped tables, two chairs, and electricity. The exhibits areas are carpeted.
